Dear Mr. Hamilton and Mr. Sukys:

With this letter, the California Department of Transportation (Caltrans) transmits Administrative Modification No. 20 to the Rural non-Metropolitan Planning Organization area portion of the California 2015 Federal Statewide Transportation Improvement Program (FSTIP). This modification revises the programming of the following existing project in the 2015 FSTIP:

Various Counties:

Proj #1: CTIPS ID 230-0000-0288, Grouped Project Listing for Bicycle/Pedestrian Facilities – Non Attainment and Maintenance Areas – increases the Congestion Mitigation Air Quality (CMAQ) Improvement Program funds by \$92,000 in Federal Fiscal Years (FFY) 15/16 and 16/17, and reduces the local funds by the same amount in corresponding FFY. No change in total cost.

These changes are consistent with the FSTIP Amendment and Administrative Modification Procedures and have no impact on the rural non-MPO financial constraint or air quality conformity. In addition, there are no projects in this administrative modification that are included in any other amendment that is currently open for public review.

Since administrative modifications do not require Federal Highway Administration (FHWA) and/or Federal Transit Administration (FTA) approval, these changes have been incorporated into California's 2015 FSTIP.

If you have any questions or comments regarding this modification, please contact Lilibeth Green of my staff, at (916) 654-3521.
